

# PUKE PEGS

sales@pukepine.co.nz

Every great build starts with a solid peg in the ground.

We know a builder's reputation starts from a good foundation. At Pukepine we stake our reputation on quality timber products you can trust. Purchasing our timber pegs with your next timber order from Pukepine, means less truck movements in your yard and will be safer than your own staff cutting them.

## QUALITY YOU CAN TRUST:

- Timber graded to provide strength with minimum knots
- Supplied in conveniently sized bundles
- Long sharp point making driving in on-site easy
- A range of sizes and lengths available
- Untreated kiln dried option provides a lightweight peg
- CCA H4 treated option for extra durability
